
Ceramic Tile Fitter

Job Description

The Position

We currently have a vacancy for a Ceramic Tiler to join our fitting team. The work will involve fitting tiles of all formats, including frequently fitting large 1200 x 600, and 1200 x 1200 tiles. We mitre all external angles and all bathrooms are tanked and we often fit recessed channels for glass. Training will be provided on our methods.

The Person

We would be pleased to receive applications from any skilled tilers, or improvers. The successful applicant will take pride in their work and be neat and tidy when working in occupied houses. Applicants outside of Guernsey are also encouraged to apply.

The Rewards

Include good rates of pay combined with PPP health insurance, generous staff discounts.
